How to Submit a Confidential Communications Request

Follow these steps to submit your Confidential Communications Request to your health insurance plan, and ensure your health information stays private and secure.

1. Fill out the **Confidential Communications Request Form** below as completely as possible.

2. Call your health insurance plan’s member services department to ask how to submit the CCR form. You can find the toll-free number on your health insurance card.

3. You can use this script to talk to your health insurance company:
   - Hello, my name is ________.
   - My policy number is #________ [state your policy number]
   - I am covered under my parent’s/spouse’s health insurance policy.
   - I don’t want my health service information to be listed on any insurance documents you send to my parents/spouse.
   - Under California’s new Confidential Health Information Act, I can submit a Confidential Communications Request to you so that you don’t send information about my health services to my parents/spouse.
   - I already filled out the confidential communications request form. What is the best way to submit it to you? Should I email, fax, or mail it to you?
   - Can you please confirm that my request form has been processed? You can contact me at ____________ if you have questions.
   - Thank you!

4. Submit your Confidential Communications Request form as directed by your insurer: email, fax, or mail.

5. Confirm that the CCR has been received and your information is protected before you receive services or treatment. If you submitted the CCR via phone, email, or fax call your health plan in 7 days. If you submitted the CCR via post mail call them in 14 days.

*As of January 2015, California law obligates health insurers to honor a Confidential Communications Request (CCR) when the CCR requests that “sensitive services” information, as defined in the law, be kept from the policyholder, or when the CCR requests confidentiality of all health service information because disclosure of the information to the main policy holder could lead to harm or harassment. Under California law, when a CCR is submitted, health insurers must send communications directly to the insured individual noted above and NOT the holder of the policy. To comply with California law, health insurers must implement CCRs within 7 days of their receipt by electronic transmission or 14 days of receipt by first class mail. See Cal. Civ. Codes 56.05 and 56.107 and Cal. Insurance Codes 791.02 and 791.29.*
